

# BLOMMER CHOCOLATE COMPANY

## COCOA POWDERS

**Our product line includes a wide variety of powders**, including superior quality nib-dutched cocoa powders, which offer a wide spectrum of colors from deep red to brown in color, have a rich cocoa flavor, and are used in many ice cream and drink mixes. Cake-based cocoa powders, which are used in various dairy and baking applications. Black cocoas, which are often used in wafer-type cookies like those for ice cream sandwiches or in sandwich-type cookies.

### NI NATURAL

A natural process cocoa powder prepared from quality cocoa beans under controlled conditions. The product exhibits unique color and flavor characteristic which make it ideal for light brown colored end-products with a mild, well rounded cocoa flavor.
